**GOOD MORNING,**

It is so good to see you today!

Genesis 1:27 – “So God created man in His own image, in the image of God created he him; male and female created he them.”

The God of the universe-the One who created everything and holds it all in His hand-created each of us in His image, to bear His likeness, His imprint. It is only when Christ dwells within our hearts, radiating the pure light of His love through our humanity, that we discover who we are and what we were intended to be.

\*One of Jesus’s specialties is to make somebodies out of nobodies.
