## Ministry Update

### Flood Relief

Greetings from Disaster Relief!

This month my sending church hosted the Florida State Meeting. I was able to share with some of our local churches and I am so looking forward to having the opportunity to visit with you all in the coming year. We seen many old friends and made some new ones, and the preaching and fellowship was great!

Then the following week I was director at camp Landmark at the Florida Baptist Encampment where we had 2 professions of faith. Working with the youth is something very near and dear to my heart. I was able to teach the teens every day and brought the message on family night. Many of these teens help me with Disaster Relief maintenance and work projects. Immediately following camp my wife and I chaperoned the Westwood teens to the State Youth Assembly Meeting in Orlando where there was one profession of faith.

This month I have been working on stripping and painting the trailer that will be placed in Maryland in August. This is one of the projects our teen boys have helped with.

Also this month our Arkansas team lead by Deputy Director Bill Horn deployed to McAllen, Texas to work with Heritage Baptist Church. They repaired roofs and did mud outs on homes devastated by flooding. We are currently raising money to purchase sheet rock, if anyone would like to donate to that specifically.

It is early in hurricane season so as always we are preparing for any storms that may come.

Thank you for your prayers and support, may God bless you richly.

Director,  
Paul Stansell
