Anyone with questions about the nursery please see Danielle.

Is it possible we can become so comfortably blessed and familiar with the grandeur of God, with the holiness of His presence, with the consistency of His goodness in our lives, that we take Him for granted? Isn't it time we put down the distraction of all we are doing..to take another look? When is the last time you looked up at God and His creation and marveled at His beauty and kindness and power and goodness and said “Wow!”? It's time to look again and see just how wonderful and trustworthy He truly is! He holds us in His loving hands, safely, securely, never to let us go!
