Please! Continue to pray that The Lord will give me; us, Thailand for Christ!

Each of you who support, & pray for me are such an encouragement! Please pray during this transition phase to Ubon!

August 2018 Report / Please; feel free to contact me via my E-Mail, or my Skype # above, any time; thank you all!

Thank you to, Ringgold BC; Somerset, KY/Faith BC; North Little Rock, AR/Brother & Sister Helpers for special offerings that helped me so much in the moving/relocation expenses! All of these are in this month's financial report below; Lord bless y'all!

On Friday; August the 10th, all the deliveries & installs of most everything in the Townhouse began. It was an extremely busy day; the month has been as well, with trying to get settled in. That Friday; the furniture was put together in the bedroom upstairs, & the AC unit. The glass front enclosure was begun Friday; finished on Saturday. I also had to have some screens made by the same company for 2 windows. The internet was installed in the afternoon. The lady that I had make drapes for 3 rooms; blinds for the front entrance; & blinds for 1 large doorway that separates the Sanctuary & the back rooms, began installing on Saturday as well. She has to return to install the front entrance blinds because they were made wrong. I hope to have it all finished up by the middle of September. I am still in need of a white-board for teaching & a projector for services in the near future. There is a need for chairs for the Sanctuary; as well as an AC unit too. A Pulpit and Communion Table still need to be made and delivered for the Sanctuary also. I ask for consideration & prayers concerning these further expenses as well; thank you! I was able to talk with the maid & gave her a Church & English teaching schedule too-pray for her; Khun Dtik.

Through most of this process; most everything has gone fairly well; although, I have had to be reminded of the tremendous cultural differences. I had begun to expect some of the installs to begin early AM; around 8-9, but some of them showed up much later; around noon & after. I had to make a trip to the local Government Office to arrange for garbage pickup to begin; as well as a container to be delivered. I'm grateful for Khun WiChit who went with me that day! I was able to communicate most of what I needed, but he was so helpful & has been such a blessing! Continue to pray for him, please. Thank you!

The bedroom being installed; the middle is the metal being installed for the Church entrance; God is so good!

AC unit being installed in the bedroom on that Friday afternoon; thank the Lord & you all so much!

Because of time constraints & the fact that the townhouse is rather a good sized place; thank the Lord, my Thai Tutor in Chiang Mai helped me find a cleaning service that arranged for the maid I mentioned above; Khun Dtik. The cleaning per month will cost around \$80-100.00 per month. I am praying for her & her daughter that has come to help her on one Saturday. She had questions about what kind of work I was going to be doing in the Townhouse; etc. While they were cleaning that Saturday, I made out a schedule & gave it to her when they left. It included Bible study on Sunday AM & English teaching throughout the week. Please keep me in your prayers that the Lord will lead me to other contacts too; thank you all!
