It has been a great month! It was so nice for Angelene and I to be back on Tanna and re-establish relationships with so many friends there! We arrived with Danny and the Macedonian Building Team led by Bro. Brant Lane and were welcomed by the church members from several nearby villages. In their week on Tanna, the building team reroofed the church/school building as well as adding an extra storey which can be used for storage/living quarters and as a future extra classroom when required. It's amazing how quickly the team put up the building. It was a pleasure to watch their professionalism and teamwork.

The team members gave their testimonies during church service and we praise God that two men come forward to ask Christ into their hearts during this service. We were very blessed to host these eight hardworking Christian brothers and enjoyed some great fellowship with them.

While we were in Vila we were able to purchase some Sunday School materials that are printed in Bislama, the national language, by the Vanuatu Scripture Union. Apart from being in their own language, these resources have activity ideas that can be sourced from local materials, which makes it a lot easier for the Sunday School teachers to organise themselves. We had previously introduced these books with the churches in Port Vila at Rentabao and Cocorico and were glad to be able to do the same with some of the churches on Tanna. It is good to share these materials in Bislama, the universal language of the Ni-Vanuatu people. Danny speaks this language fluently and has been able to preach & teach in it in Port Vila and Tanna for a number of years. He has also been able to provide a number of Bislama translations of the Bible to people and there is always demand for more. They are available to purchase in Port Vila for approx. \$20 each and any help you can give towards providing more copies of these bibles to church members would be greatly appreciated.

A big thank you to those ladies – the dresses were very happily received by all

It was a blessing to have Albertine come forward for baptism at a recent church service at Kapote Baptist Church, I manaka. Albertine and her husband, Willy, (who has just recently been saved) have been very supportive and helpful in the work at I manaka and we would appreciate your prayers for this couple, that God would grow and strengthen them for His work.

Thank you so much for your Christian love, prayers and support to help the people of Vanuatu.
